Re: STRINGER VOLUNTEER FIRE STATION

TO ALL PLAN HOLDERS

First of all thank you for your interest in the construction of a new Volunteer Fire Station located in Stringer, MS.

Bids were received September 8, 2020. After review of the qualified bids it was determined that all bids exceeded the available funds for the project.

The Jasper County Board of Supervisors has directed Engineering Plus to re-design and re-bid the project as soon as possible. The project will be publicly advertised as required by State law.

Thank you again for your interest and we look forward for to a successful project.

Liz Dudley, Project Manager
Engineering Plus, Inc.
